

REQUEST TO COMMENCE WORK BEFORE THE CANCELLATION PERIOD EXPIRES

I/We* hereby make an express request that Atkins Dellow LLP do commence the work that I/we* have agreed. In doing so I/we* accept that such work needs to be done and will be before the expiry of the normal 14 day cancellation period in which I/we* would normally have a right to cancel the contract between us.

I/We* acknowledge that as a result of this request I/we* must pay for services provided, even if the contract is later cancelled.

I/We* acknowledge that I/we* will lose my/our* right to cancel if the work as set out in client care letter has been fully performed.
